1037 Herron Ave

Pincher Creek AB T0K 1W0

Late submissions will not be accepted.

Bid Evaluation

Bids will be evaluated based on proposed lease value, compatibility with permitted use, potential benefit to the municipality, and bidder qualifications. The Municipality reserves the right to reject any or all bids and is not obligated to accept the highest bid.

First Right of Refusal

Where a property is currently subject to an existing lease, the existing lease holder shall have the first right of refusal. Following the close of the bid process, the existing lease holder will be provided the opportunity to match the highest compliant bid received for that property. If the existing lease holder elects to match the highest compliant bid within the timeframe specified by the Municipality, the existing lease holder shall be deemed the successful bidder and shall be entitled to enter into the lease agreement, subject to all other applicable lease terms, conditions, and approvals.

Simple Example Scenario

A 40-acre municipal grazing lease is expiring. The municipality advertises the parcel with a minimum bid of \$35/acre/year for a five-year term.

Three bids are received:

Bidder	Bid Amount
Bidder A	\$38/acre
Bidder B	\$42/acre
Bidder C	\$40/acre

The highest compliant bid is \$42/acre. The existing leaseholder is offered the opportunity to match the \$42/acre bid. If they agree, they retain the lease at \$42/acre. If they decline, the lease is awarded to Bidder B.

Lease Terms and Conditions

The successful bidder will be required to enter into a formal lease agreement including payment terms, maintenance obligations, insurance requirements, and compliance with municipal bylaws.

Leases will be invoiced annually on January 1 of each year.

A sample lease agreement is included in Schedule C.

6.6 Indemnity

The Tenant hereby indemnifies and saves harmless the Landlord and its successors and assigns from and against any and all losses, liabilities, damages, costs (including, without restriction, all legal and other professional costs on a solicitor and his own client full indemnity basis) and expense of any kind whatsoever which at any time or from time to time may be paid, incurred or asserted against the Landlord, whatsoever arising from or out of, directly or indirectly, the Tenant's use or occupancy of the Lands or occasioned wholly or in part by any act or omission of the Tenant, its agents, contractors, employees, sub-tenants, licensees, concessionaires or anyone permitted by the Tenant to be in or on the Lands. Without limiting the generality of the foregoing, this indemnity shall include those aforementioned costs which at any time or from time to time may be paid, incurred or asserted against the Landlord as a direct or indirect result of the presence on or under, or the escape seepage, leakage, spillage, discharge, emission or release by the Tenant, and those parties permitted to be upon the Lands by the Tenant (excluding the Landlord, its employees, agents, and contractors), of any Hazardous Substances, from the Lands either onto any lands (including the Lands), into the atmosphere or into any water. This indemnification shall survive the expiration of the Term and the termination of this Lease for whatever cause.

6.7 Hazardous Substances

The Tenant represents, covenants and warrants to and in favour of the Landlord that:

- (a) it shall not allow any Hazardous Substances to be placed, held, located or disposed of on, under or at the Lands without the prior written consent of the Landlord, which consent may be arbitrarily or unreasonably withheld;
- (b) it shall not allow the Lands to be utilized in any manner in contravention of any applicable laws intended to protect the environment, including without limitation, laws respecting the use, storage, handling, disposal and emission of Hazardous Substances;
- (c) to the extent that Hazardous Substances are, with the Landlord's consent, placed, held, located or disposed of on, under or at the Lands in accordance with the terms hereof, the Tenant shall:
 - A. comply with, or cause to be complied with, all applicable laws and regulations relating to the use, storage, handling and disposal of the Hazardous Substances (including, without restriction, compliance with WHMIS program recommendations),
 - B. at the request of the Landlord, provide evidence to the Landlord of compliance with all such requirements, such evidence to include inspection reports and such tests as the Landlord may reasonably require, all at the expense of the Landlord.

ARTICLE 7 – REPAIRS

7.1 Maintenance and Repair

The Tenant covenants to keep the Lands tidy and in substantially the same condition as existed as of the commencement of this Lease as determined by the Landlord acting reasonably including, without restriction, promptly attending to the following:

- (a) maintaining the Lands, as well as any improvements, equipment, machinery, or other property of the Tenant placed upon the Lands, in a safe condition capable of use by the Tenant;
- (b) routine yard maintenance and weed control so as to comply with all applicable laws and otherwise not constitute a nuisance; and
- (c) all snow removal, field maintenance and cleaning required with respect to the use and occupation of the Lands.

7.2 Weed Control

The Tenant shall, at their own sole expense, strictly comply with the Alberta Weed Control Act and Municipal District of Pincher Creek Weed Control Bylaw. The Tenant is responsible for the immediate eradication of all Prohibited Noxious Weeds and the control of all Noxious Weeds (as defined by the Alberta Weed Control Regulation) on the Leased Premises during the term of this Agreement. This obligation extends to all cultivated acres, pastures, and headlands.

The Landlord and Tenant acknowledge that pre-existing weed populations may be present on the Leased Premises at the commencement of this Agreement.

The Tenant shall manage and operate the Leased Premises in a manner that ensures pre-existing weed populations do not increase in density or spread beyond the baseline areas. The Tenant is strictly responsible for ensuring that no new weed species or invasive infestations are introduced to the property during the term of this Agreement.

The Landlord, their authorized representatives, and inspectors from the Municipal District of Pincher Creek retain the absolute right to enter and monitor the Leased Premises at any reasonable time during the agreement to inspect weed management practices and verify compliance with this clause.

If the Tenant fails to prevent the spread of pre-existing weeds, allows new weeds to establish, or fails to comply with MD directives, the Landlord reserves the right to enter the property to perform the necessary remediation. The Tenant shall reimburse the Landlord for all incurred costs (including labor, equipment, and chemical costs).

Notwithstanding any of the foregoing, the Tenant shall not be responsible for the reconstruction of damaged or destroyed improvements owned by the Landlord, but only if the Tenant is not the cause of the aforesaid damage or destruction.

ARTICLE 8 – LICENSES, ASSIGNMENTS AND SUBLETTINGS

8.1 Licenses, Assignments and Subletting

The Tenant shall not transfer, assign, license or sublet this Lease, the Lands, or any portions thereof, nor mortgage, pledge, or in any way encumber this Lease, without the prior written consent of the Landlord, which may be unreasonably withheld.

ARTICLE 9 – LIABILITIES

9.1 Theft

The Landlord shall not be liable for the theft of any property at any time upon the Lands.

9.2 Damage or Injury

The Landlord shall not be liable for any injuries or death, or any losses or damages whatsoever, caused to any individual or property while on or within the Lands as a result of, or in any way arising out of, the occupation or use of the Lands by the Tenant pursuant to this Lease.

ARTICLE 10 – TENANT'S DEFAULT

10.1 Default

Notwithstanding anything contained herein to the contrary, if the Tenant fails to perform any of its obligations under this Lease as and when required, and such default continues for a period of seven (7) days after written notice from the Landlord of such default, then the Landlord may, at its option, re-enter and take possession of the Lands with or without terminating this Lease.

10.2 Remedies Upon Default

Upon the occurrence of the event of default, as defined within Section 10.1 of this Lease, at the Landlord's option, the Term shall become forfeited and void, and the Landlord may without notice or any form of legal process whatsoever forthwith re-enter upon the Lands, or any part thereof, in the name of the whole and repossess and enjoy the same as its former estate, anything contained in any statute or law to the contrary notwithstanding. No re-entry or taking possession of the Lands shall be construed as an election on the part of Tenant to terminate this Lease unless at the time of or subsequent to such re-entry or taking of possession written notice of such termination has been given to the Tenant.

10.3 Additional Remedies

The rights and remedies of the Landlord pursuant to Section 10.1 and 10.2 of this Lease are in addition to the rights and remedies of the Landlord at law, equity, or as otherwise contained within this Lease. The forfeiture of this Lease by the Tenant shall be wholly without prejudice to the right of the Landlord to recover damages for any antecedent breach of covenant on the part of the Tenant.

10.4 Right to Perform

All covenants, terms and conditions to be performed by the Tenant under any of the provisions of this Lease shall be performed by the Tenant, at the Tenant's sole cost and expense. If the Tenant shall fail to perform any act on its part to be performed under this Lease, and such default shall continue for seven (7) days after notice thereof from the Landlord, the Landlord may (but shall not be obligated so to do) perform such act without waiving or releasing the Tenant from any of its obligations relative thereto. The Tenant shall pay to the Landlord on demand for all costs incurred by the Landlord in performing such act, from the date each such payment was made or each such cost was incurred by the Landlord, until paid in full.

10.5 Waiver

The waiver by the Landlord of a breach of a term, covenant or condition herein contained will not be deemed to be a waiver of a subsequent breach of the same or another term, covenant or condition herein contained. No covenant, term or condition of this Lease will be deemed to have been waived by the Landlord unless the waiver is in writing signed by the Landlord.

ARTICLE 11 – GENERAL PROVISIONS

11.1 Quiet Enjoyment

By paying the Rent and other charges or expenses required to be paid by the Tenant under this Lease, and by duly performing all of the Tenant's other obligations under this Lease, the Tenant shall be entitled to peaceably enjoy and possess the Lands for the Term without any interruption or disturbance from the Landlord, or any person, firm or corporation lawfully claiming through the Landlord; provided always that nothing contained within this Section shall limit the rights of access granted to the Landlord. The Tenant will not oppose and will cooperate with the Landlord (including, without restriction, executing any documents or consents required by the Landlord) in connection with any subdivision, rezoning, development permit or building permit application which the Landlord may wish to make at any time after the Commencement Date. The Tenant shall be subject to any and all new easements or rights of way granted by the Landlord after the Commencement Date without further compensation or consideration owed to the Tenant.

Lands. If any provision of this Lease is illegal or unenforceable it shall be considered separate and severable from the remaining provisions of this Lease, and the remaining provisions shall remain in force and be binding as though the said illegal or unenforceable provisions had never been included. 11.4 Amendment to Lease

No amendment to or waiver of any provision of this Lease or any consent required or permitted hereunder shall be deemed or taken as made or given unless such amendment, waiver or consent is in writing and signed under the corporate seal of the Landlord.
