- ✓ Equipment Positioning & Parking Practices
- ✓ Seasonal Weather Hazard Management
- ✓ Public Interaction Awareness
- ✓ Working Around Public Areas
- ✓ Early Hazard Reporting & Prevention

EXTERNAL COR AUDIT

Scheduled: Late September/Early October

What is COR?

Certificate of Recognition (COR) is Alberta's recognized standard for evaluating the effectiveness of an organization's health and safety management system.

“The MD is actively preparing for its external COR audit and continues to strengthen health and safety systems across the organization.”

THANK YOU

Thank you for the confidence and trust placed in me through my appointment as Deputy Regional Director of Emergency Management.

I am honoured to serve the MD in this role and look forward to supporting our continued commitment to preparedness and resilience.
