Perfect job for an outdoor enthusiast that has a passion for the environment!

We are currently looking to fill (2) **Pesticide Applicators (6 month)** positions to join our Agriculture and Environmental Services summer team.

These positions are an excellent opportunity for those who thrive on working outdoors and are suitable to work requiring high levels of physical activity and stamina.

These positions require a valid Class 5 Drivers License and a clean Driver's abstract. Also, each position requires you to hold or are willing to obtain an Authorized Assistant Pesticide License. Preference may be given to applicants who have a Pesticide Applicator Certificate.

If you are successful you will be expected to operate and maintain small-motorized equipment, identify and eradicate plants identified by Provincial and Municipal legislation. Duties will include using herbicides and manual labour.

These are six-month positions, commencing on April 17, 2023.

The competition will close at Noon, Thursday, March 24, 2023.

Please forward your resume with the position you are applying for clearly marked 'AES 6-Month' to:
