

**We are now accepting applications for**

**(Six-Month) Seasonal Labor / Operators**

**Target Start Date: April 29, 2024 (26 weeks)**

This is the perfect opportunity for physically fit individuals with high levels of stamina, and who are highly motivated.

In addition to operating equipment this position includes labour work such as yard and hamlet maintenance, assisting with construction and road repair projects, maintenance and/or repair of municipal property or buildings, set-up/takedown of snow-fencing and assisting with special projects.

Depending upon licensing, experience, and skills there will be opportunities to operate commercial mowers, small landscaping equipment, and operating industrial heavy equipment.

The Minimum requirement is a Class 3 Driver's licence with air endorsement.

*{Preference may be given to those with a Class 1 and related experience}.*

Successful candidates will be required to provide a current driver abstract.

The closing date these positions is **March 22, 2024**, at Noon (MST)

Please forward your resume and a cover letter, clearly indicate you are applying for the
