

1843 – 32nd ST SW, Medicine Hat, Alberta, T1B 3N9
Ph: (403) 526-9172

Greetings Resident,

Please refer to the attached map. As part of our Contract, BYZ will be installing a new fence along the east side of the Hamlet, at the rear of all the highlighted properties, to be located on property line. Although this area was mostly cleared at the beginning of the project, it was not cleared right to property line. As such additional clearing along the property line will be required to allow the fence to be placed directly on it. For most properties this will result in up to 1m of additional clearing. This work will be taking place over the next 1-2 weeks, followed by construction of the new fence, which is scheduled to start May 29th.

BYZ's surveyor will be staking out the rear property line at each property in the next few days. Please review these stakes to ensure there are no objects or material (other than trees/brush) which encroach. Please relocate any such objects or material inside property before May 29th to allow smooth installation of the new fence.

If you have any concerns, please contact the MD of Pincher Creek.

Regards,
