

We value your feedback... 1365-25 Traffic Bylaw

Council for the MD is seeking community feedback on the proposed Bylaw 1365-25, which is the draft Traffic Bylaw. We are working together with you to create future bylaws that ensure the safety, health, and well-being of residents. The Municipal Government Act does not mandate a public hearing for this type of bylaw; however, this process allows the Council to collect input from the public.

We recommend reading the entire document, as some sections may be more relevant to your needs than others. For clarity, we have provided a summary of the draft bylaw. This bylaw aims to regulate and control traffic and other activities upon “Highways” within the Municipal District of Pincher Creek No. 9. Terms and Conditions:

1. The Lessee hereby indemnifies and holds harmless the Lessor from any and all claims or causes of action, including personal injury, death, or property damage brought by the Lessee or his/her agent that may arise or result from or in connection with the Lessee's use of the leased land under this license. Without restricting the generality of the foregoing, the Lessee indemnifies and holds harmless the Lessor from any and all claims that may arise as a result of use of the leased land by the Lessee for grazing of livestock.
2. The Lessee shall obtain general public liability insurance of not less than two million (\$2,000,000) dollars for claims brought as a result of personal injury, death, or property damage, occasioned as a result of the use of the road allowance by third parties, provided that such use was authorized by the Lessee and occasioned by or in connection with actions or responsibilities, including the grazing of livestock, of the Lessee.
3. The Lessee shall be responsible for managing and control of noxious and other weeds on the leased lands caused by or in connection with the Lessee's use of the leased lands.

6. The Lessee shall not prohibit or unreasonably restrict public access and passage over the road allowance, but may from time to time impose conditions or restrictions on access and use where such conditions are temporary in nature and reasonably necessary or appropriate to the Lessee's operations and responsibilities under this agreement.
